Discover Gauteng's latest apartment luxury hotel: A new gem on the horizon in travel and leisure

Steyn City Hotel by Saxon, operated by Saxon Hotel, Villas and Spa, is an exciting new hospitality venture offering travellers captivating new experiences located at the prestigious Steyn City residential lifestyle estate.

Steyn City has long been known as one of Gauteng's most enviable residential addresses. In fact, having made several appearances on rankings of the world's top ten lifestyle estates and Gauteng's best residential estate, it's no stretch to say that it's difficult to find a place that so easily melds beautiful surroundings with stunning recreational facilities and unparalleled luxury and convenience.

That's thanks to amenities like the 18-hole Nicklaus design championship golf course, a 45km floodlit promenade for walking and running, a 50km mountain bike track and an equestrian centre,

complete with bridle trails. Also on offer are a plethora of eateries (well-known coffee chains and family-style outdoor restaurants, bistros and al fresco dining options), tennis and padel courts, outdoor workout stations, fitness centres and children's play nodes. At the hub of it all is City Centre, with its lively piazzas, stunning art gallery, high-end retailers, buzzing coffee shop and eateries. Add in the Ultimate Helistop for instant access to your next destination, and this is a place that has it all.

The launch of the Steyn City Hotel by Saxon in October 2024 will attract discerning guests, including those staying

with friends or family in Johannesburg, business travellers and those seeking a break at a destination that's close to home. It's also just a short drive (15 minutes) from Lanseria International Airport, making it convenient for travellers from SADC countries and other major cities, as well as international guests looking for the ultimate séjour in Gauteng. As a conferencing destination, you'd be hard-pressed to find another venue that has quite so much to offer.

Like its sister establishment, The Saxon Hotel, Villas and Spa, the Steyn City Hotel by Saxon is all about luxury and comfort. The hotel's endorsement by The Leading Hotels of the World is yet another assurance that your stay will be without compare, as this prestigious accreditation is reserved for establishments recognised for their unwavering accent on excellence.
